2020 MEMBERSHIP LETTER

Crystal Lakes has a 100% volunteer fire and rescue service. The CLVFD is on duty 24 hours a day, 365 days a year and ready to lend assistance to you, the members of this community. One of the things that all of the members of CLVFD have in common is the belief in our community and giving back to it.

CL Fires is a non-profit charitable organization supporting Crystal Lakes Volunteer Fire Department (CLVFD). We are recognized by the State of Colorado and have received 501(c)(3) Tax Exempt status from the IRS. CL FIRES members volunteer their time to plan, organize and staff community events.

CL FIRES provides financial support for upgrading and obtaining new equipment, personal protection equipment for firefighters, educational materials /resources for Crystal Lakes and the surrounding communities.

In 2019 CL FIRES was able to provide assistance for:

- Feeding the firefighters after the Delaware Fire in Crystal Lakes.
- Purchase of structure and wildland personal protection equipment.
- Funds for the Emergency Medical Services conference in September for EMT's in our area.
- Purchase of a Bender Lift used to pick up patients in tight areas.
- Purchase of new flag pole and flag for the CLVFD Fire Station.
- Purchase of a new storage container for excess fire equipment and supplies.
- Purchase of water for hydration and nutritional snacks for the fire station and vehicles, which are essential for physical needs during training and emergency calls.

2019 was a great year! Many wonderful things were accomplished because of your generosity. We are excited to see what this new year brings.

This year The Crystal Lakes Volunteer Fire Department has asked CL FIRES to raise funds for (8) wired headsets and adapters that plug into handheld radios. That would provide (2) per truck for their (4) emergency vehicles totaling \$5,000.00.

CL FIRES receives funding through our membership drives, fundraising programs and events. We would like to thank the community for their continued support that has been received over the years. You and your donation play a critical role in helping our community.
